Your Recycling Guide

It is important that you always put the right things in the right bin.

Tameside recycles

Green

general waste bin

All of the things in your general waste bin are used to create electricity.

Black

mixed recycling bin

Only put these things in your **black** recycling bin.

Blue

paper and card recycling bin

Only put these things in your **blue** recycling bin.

Brown

food and garden recycling bin

Only put these things in your **brown** recycling bin.

If you need more food bags, tie an empty food bag to the handle of your brown recycling bin or street caddy.
